The program will include significant travel and cultural opportunities in both Barcelona and Rome. No foreign language skills required. Coursework is structured so students focus on only one course at a time. This format allows successful completion of the academic portion of the program, while providing students enough free time to experience Barcelona and Rome, two of the most exciting and interesting cities in the world. Both locations are popular international study abroad destinations, with interesting cultures, food, and entertainment.

In Barcelona, students will see sites such as the La Sagrada Familia, the Picasso Museum, Montjuic Castle, La Barceloneta Beach, and Camp Nou stadium—home of FC Barcelona soccer, etc). In Rome you will have an opportunity to visit the Roman Colosseum, Roman Forum, Palentine Hill, Circus Maximus, Pantheon, Piazza Navona, Trevi Fountain, Spanish Steps, and see St. Peter's Basilica and the Vatican Museum in Vatican City.
