    - Courses are taught in English. Terminology is somewhat different than in the U.S. Rather than referring to a 'major' the term 'course' is used, and their 'modules' are like our 'courses'. Students should contact the Auburn Faculty Director or see the host university with a global reputation.
- Plymouth University benefits from its attractive location with a vibrant city life and culture, set in a dramatic countryside and close to some of Britain's most beautiful beaches with excellent sailing and surfing opportunities. The city, Plymouth, is located between the mouths of the rivers Plym and Tamar in what is widely regarded as one of the world’s most impressive natural harbors. Aside from the beautiful waterfront, Plymouth has a large number of historical sites that can be explored. Plymouth Sound, the city’s natural deep water harbor, through the Royal Navy in the 17th century it helped to create a trading network that still exists today. World War II tragically affected Plymouth, but the aftermaths of the bombing saw the creation of the city center - the famous Barbican - that is still a symbol of Plymouth’s strong spirit today. Plymouth University is located in the city center. Plymouth University has a friendly, dynamic and innovative environment, with over 30,000 students on full and part-time programs of study including around 3,000 students from over 100 countries. The University’s academic year is structured around terms and not semesters. Plymouth is a world-class university with a global reputation.

**VISA REGULATION**
- It is recommended that students obtain a Tier 4 Student visa. For information on the application process, visit the Plymouth University website for International Students.
- Non-U.S. Citizens should verify visa requirements for visits of any duration to the United Kingdom.
